

10th INTERNATIONAL SCIENTIFIC AND PROFESSIONAL CONFERENCE

on the basic topic:

PUBLICATION OF PROFESSIONAL AND SCIENTIFIC INFORMATION IN PHYSICAL EDUCATION AND SPORTS ACTIVITIES

Veles, 4th and 5th May, 2012

At the “Mladost” Lake, near Veles, the Federation of Sports Pedagogues of the Republic of Macedonia, in cooperation with the Agency of Young and Sports, and the Union of Sports Federations of Macedonia, held the 10th International Scientific and Professional Conference.

The Conference participants were welcomed with the introductory words by Prof. Sc. Dr. Aleksandar Naumovski, President of the Federation of Sports Pedagogues of the Republic of Macedonia.

They were also welcomed by M.A. Tomislav Andonovski, Head of the Sports Sector in the Agency of Young and Sports within the Government of the Republic of Macedonia and Goran Petrov, Mayor of Veles.

A great number of managerial staff and representatives of university institutions, sports federations, schools and other organizations from the country and from abroad also extended their welcome.

The Conference was attended by over 150 distinguished sports pedagogues from a great number of educational, social and sports organizations from the Republic of Macedonia and from other countries.

In the course of the Conference were presented 110 professional and scientific papers with regard to the basic topic of the Conference and other topics in the field of kinesiology and sports activities, as well as in the fields of the physical education.

Based on the results of the presented research papers and discussions of the Conference participants, a number of professional and scientific issues were concluded and analyzed. The Conference assumed attitudes for undertaking further program activities for improvement of the publishing activity situation, as well as for publication of scientific and professional conclusions in physical education and kinesiology and sports activities.
