

11th INTERNATIONAL SCIENTIFIC AND PROFESSIONAL CONFERENCE

on the basic topic:

THE IMPACT AND STATUS OF PROFESSIONAL AND SCIENTIFIC STAFF IN SPORTS AND PHYSICAL EDUCATION IN SOCIAL ORGANIZATIONS AND INSTITUTIONS

Veles, 19th and 20th April, 2013

The Federation of Sports of Pedagogues of the Republic of Macedonia, in cooperation with the Agency of Young and Sports, the Macedonian Olympic Committee and the Union of Sports Federations of Macedonia, organized the 11th International Scientific and Professional Conference in Veles – at the “Mladost” lake.

The Conference was attended by about 160 distinguished sports pedagogues from a number of social and sports organizations, as well as from educational institutions from the Republic of Macedonia and from other countries.

The Conference participants were welcomed with the introductory words by Prof. Sc. Dr. Aleksandar Naumovski, President of the Federation of Sports Pedagogues of the Republic of Macedonia.

They were also welcomed by a number of managerial staff representatives from university institutions, sports federations, schools and other organizations from the countries and from abroad.

The professional and scientific meeting presented 120 professional and scientific study works on the basic topic of the Conference and other topics in the field of kinesiology and sports activities, as well as in the fields of kinesiology education. Most of the participants made their contribution with academic discussions and views on the achieved results and conclusions in presented study papers.

The views and conclusions of the participants were a valuable contribution for greater effect in definition of the social, professional and scientific status of the sports pedagogues. In this context, the influence of teaching and training staff was particularly accented for improvement of the anthropological capabilities of young and other adult categories in achieving top sports results for the national interests.
